

ACTASE®

OmegaEye Daily

What is ACTASE® OmegaEye Daily and what is it used for?

ACTASE® OmegaEye Daily is a food supplement which contains essential fatty acids to benefit eye health. Each capsule of ACTASE® OmegaEye Daily contains 300mg EPA and 200mg DHA. **DHA helps to maintain healthy vision.**

What is the recommended dose of ACTASE® OmegaEye Daily?

The recommended dose is 2 softgels per day, providing a daily dose of 600mg EPA and 400mg DHA. The beneficial effect for your vision is obtained with a daily intake of 250mg of DHA. This pack contains 60 softgels which provides a 30-day supply. **Do not exceed recommended dose.**

How is ACTASE® OmegaEye Daily manufactured?

ACTASE® OmegaEye Daily has been manufactured using a specialised process to deliver a highly absorbable form of Omega-3 fish oil.

THE MANUFACTURING PROCESS:

| | |
|--|--|
|  | Fish are pressed, producing unpurified (Triglyceride) Omega-3 oil |
|  | The oil is purified using heat and alcohol (esterification) |
|  | Purified Omega-3 oil is produced which now contains alcohol. This Ethyl Ester form of Omega-3 oil is poorly absorbed by the body |
|  | The alcohol is removed through re-esterification |
|  | ACTASE® OmegaEye Daily is produced which is purified, free of alcohol and toxins, and contains high levels of DHA. |

How often and for how long can you use ACTASE® OmegaEye Daily?

- ACTASE® OmegaEye Daily should be used according to the instructions given by your health care professional.
- The recommended dose of ACTASE® OmegaEye Daily is 2 softgels per day.
- ACTASE® OmegaEye Daily is suitable for long term treatment.

Directions for use:

Take **2 softgels daily** with meals. Do not exceed recommended dose.

Precautions and warnings:

Do not use if you are sensitive to any of the ingredients • Keep out of reach and sight of children • Store in a cool dry place away from direct sunlight • Food supplements are not a substitute for a varied and healthy lifestyle • If you are on blood thinning medication, pregnant or breastfeeding, consult your doctor before use.

Composition:

Omega-3 fish oil (rTG** from whole **FISH**), **FISH** gelatine, thickener: glycerol, anti-oxidant: Tocopherol rich extract, Aqua pur (water).

*The beneficial effect for your vision is obtained with a daily intake of 250mg of DHA.

**Re-esterified Triglyceride, a manufacturing process to improve quality and increase absorption.
