

# INSTRUCTIONS FOR USE

Brightens and moisturizes irritated,  
red and tired eyes. BLUE FORMULA

## COMPOSITION

Vegetable waters (Chamomile, Cornflower flower, Sweet clover, Euphrasia): 10,9%, Methylene Blue, Sodium chloride, buffered solution, Trehalose dihydrate (1,9%).

## INDICATIONS

Brightens and moisturizes irritated, red and tired eyes.

## INSTRUCTIONS FOR USE

1/ Remove the ring around the cap • 2/ Remove the cap (if necessary prime the flow of the vial by pressing it over your hand until you get the first drop) • 3/ Turn the bottle over and position it over the eye • 4/ Open your eyes and press the bottle to place 1 to 2 drops in the corner of each eye, up to 4 times a day • 5/ Do not touch the eye with the dropper • 6/ Close the cap carefully and put it back in its original case to keep it away from light. • It is advisable to protect clothing before use.

## WARNINGS

Not recommended when wearing contact lenses • Suitable for adults and children over 15 years • Do not use if the bottle is damaged • Do not ingest • Keep out of the sight and reach of children • Do not use with another eye solution • In case of eye irritation, persistence of symptoms or any adverse effects, stop using the product and contact a doctor • Do not use the product continuously for more than 28 consecutive days • Avoid all contact with clothing.

## CONTRAINDICATION

Do not use in case of specific hypersensitivity towards any of the constituents.

## PRESERVATION

Use within 30 days after opening • Store in a dry place away from light • Do not exceed the cut-off date on the packaging.
